Terms of Use

Last Updated: February 2008

Welcome to ERI Economic Research Institute's family of salary survey websites, including: www.salariesreview.com, www.abbott-langer.com, www.abbottlanger.com, and www.paysurvey.com. Abbott, Langer Association Surveys has long focused on the nonprofit and manufacturing sectors. SalariesReview was created by ERI Economic Research Institute to provide online survey capabilities and, in March of 2005, won the Patent for online interactive salary surveys. Both sites are operated under license from ERI Economic Research Institute, Inc. The latter provides Archival Surveys for ERI Assessor Series subscribers' historical research and litigation support. The former, as a part of the ERI family of salary surveys, has provided both participant and non-participant surveys that are used in salary planning and other HR management decision making since 1967.
